Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Victoria Harris
Address	ST. NICHOLAS LANE, 2, ST. NICHOLAS LANE, BOGNOR REGIS, PO22 7SY
Type of Comment	Objection
Comments	This is totally unacceptable, this is to close to many vulnerable elderly people that live in close proximity. The increase in heavy traffic would have disastrous effects on the A259. The new crematorium will cause huge problems combined with this the area would be at a standstill. There is a proposed housing site for 1500 houses, why would anyone want to live next to such a monstrosity. Put local peoples health first!
