Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	frank langley
Address	CLIMPING PARK, 11, CLIMPING PARK, LITTLEHAMPTON, BN17 5DW
Type of Comment	Objection
Comments	Traffic impact on already overcrowded A259, Proximity to local housing, unsightly and visible buildings, effect of fumes from continual movement of lorries and the fact that lorries will be visiting the site at all times of day and night. The site will not treat West Sussex waste. Overall the site and amount of increased traffic it will entail is unacceptable to local residents of Clymping, Ford and local area.
