Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Rita Still
Address	1 COLWOOD COTTAGES, CUCKFIELD LANE, CUCKFIELD LANE, HAYWARDS HEATH, RH17 5UB
Type of Comment	Objection
Comments	I am a regular visitor to this area and I object to this proposal on the grounds that it will be totally unsightly and could be a source of pollution. The roads here are already completely congested so the additional traffic from the facility will make it unbearable. The area seems to be already blighted with hundreds of new builds, the combination of these two things will ruin this lovely area.
