

Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Susan Wood-Roe
Address	THE LAURELS, HORSEMERE GREEN LANE, HORSEMERE GREEN LANE, LITTLEHAMPTON, BN17 5QY
Type of Comment	Objection
Comments	The significant impact on traffic on what is already a busy road and the approach to Arundel roundabout is not wide enough for large vehicles. There are health concerns as dense housing is proposed for this area. The incinerator building and stacks will be visible over a large area and will impact the landscape as far as South Downs National Park.
