Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Juliette Harris
Address	CHURCH HOUSE, CHURCH LANE, CHURCH LANE, LITTLEHAMPTON, BN17 5RB
Type of Comment	Objection
Comments	I object to this planning application for a number of reasons. Firstly, the increase of traffic and therefore pollution and the safety implication of further traffic on these unsuitable roads. This area is residential with many families living in the vicinity and it is my opinion that the suggested increase in heavy goods traffic compromises the safety of the roads and adds an unacceptable level noise and pollution. Secondly, it will be an eyesore - a monstrosity frankly and will compromise the existing tourism that the area receives with proximity to the beaches and historic Arundel. Thirdly, this is not a long-term solution to recycling - this is not a proper circular model to tackling waste issues.
