Comm	ient for plaining application wscc/011/21
Application number	WSCC/011/21
Name	Kerry Thompson
Address	OLD DAIRY COTTAGE, CLAY LANE, CLAY LANE, ARUNDEL, BN18 9RS
Type of Comment	Objection
Comments	I strongly object to this application on the basis of the following: 1) Significant emissions of particulates, volatile organic compounds, noxious gases such as CO2, SO2, NO and CO. All of these are proven to have detrimental effects on health and climate change. The UK has committed to reducing the emissions of these compounds. 2) Significant increases in traffic , adding to pollution, noise and congestion 3) Damage to the appearance and natural environment very close to the South Downs National Park. Thank you for considering my response; I sincerely hope that WSCC will oppose this damaging proposed development in the strongest possible terms.
