Address	MANT CLOSE, 5, MANT CLOSE, LITTLEHAMPTON, BN17 5TD
Type of Comment	Objection
Comments	1) Ford airfield is scheduled to become a huge housing development. Having a noxious fumes producing unit adjacent to it is dangerous. 2) This monstrosity, with its huge chimney' will be a blot on the landscape for miles around. 3) The roads infrastructure is not capable of accepting the huge numbers of trucks needed to feed its appetite. 4) The waste will not be from West Sussex. Why should we accept waste from other areas?
