Comment for planning application wscc/011/21	
Application number	WSCC/011/21
Name	Faye Murphy
Address	CEDAR COTTAGE, LYMINSTER ROAD, LYMINSTER ROAD, LITTLEHAMPTON, BN17 7QG
Type of Comment	Objection
Comments	I would like to strongly object to this application for the following reasons; It is completely unsuitable for the area and will affect my outlook across the scenery currently in place. The traffic generation this application will create will adversely affect the area, and access roads will destroy further green land. This will have an adverse effect on the local wildlife, destroying habitats for our animals and ruining trees and hedgerows. It will have a detrimental affect on the landscape and the character of the area. There will also be dust and fumes/odour that will impact our quality of life. I would urge the council to decline this application and any further applications for such an endeavour on this site or any others surrounding the Southdowns national park and /or local conservation areas that will look out onto the site(s).
