Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Mr James Holt
Address	THE LODGE, MELROSE PLACE, MELROSE PLACE, PULBOROUGH, RH20 3HH
Type of Comment	Objection
Comments	I object to the revised plans for the incinerator at Ford. The building is over-bearing and as such, it is unacceptable to site such a building close to housing. The noise from the facility itself and from all the traffic in and out of the facility will negatively impact the local community. In addition, such a large facility, which would be visible far and wide will impact the tourism economy of the local area. People will simply not wish to visit an area close to an incinerator. The roads in this area are already very congested. It is common place for there to be to traffic at a standstill all long Church Road at peak times of the day. This facility will clearly add to this significantly.
