Collin	ient for planning application wscc/011/21

Address	THE LODGE, MELROSE PLACE, MELROSE PLACE, PULBOROUGH, RH20 3HH
Type of Comment	Objection
Comments	I object to the plans at Ford Circular Technology Park. I do not think this development is in the public interest. The local community will suffer mental health problems living close to such a huge, dominating facility. The scale and proportion of the proposal is completely at odds with surrounding residential housing. It does not fit the scale of the surrounding buildings. I also object on the grounds of the noise that will be generated not only at the facility itself, but also through all the increased traffic - heavy, lorry traffic. This will all negatively impact the local community. This is a totally inappropriate location for such a facility.
