Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Evelyn Davies
Address	RIVER ROAD, 5, RIVER ROAD, ARUNDEL, BN18 9DH
Type of Comment	Objection
Comments	Arundel is a beautiful, unique, destination venue: why spoil it and drive tourists away? Changes are afoot everywhere and are not always an improvement either to the environment or visually. We are fortunate, in Arundel, to live in a bubble within the South Downs which people enjoy visiting which, in turn, is good for the economy. Large installations are both unwelcome and unnecessary given the impact of the size of this development and the ensuing increase in road traffic.
