## Comment for planning application WSCC/011/21

WSCC/011/21
Francis Schofield
TARRANT WHARF, 5, TARRANT WHARF, ARUNDEL, BN18 9NY
Objection
I wish to object on the grounds it will have a severe impact on the number of heavy vehicles on and around the surrounding roads + exhaust pollution. It will be a pollution issue when we should be recycling further. Air quality will be affected. It will have a negative visual impact.
