Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Brett Edwards
Address	THE HARD, 7, THE HARD, BOGNOR REGIS, PO22 6JS
Type of Comment	Objection
Comments	I see no reason to build in rural area with narrow roads which are already busy. The co2 emissions and potential smell or air quality impact is not acceptable Furthermore the unsightly building will impact the views and turn what is a wonderful countryside area into an industrial estate.
