Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Simon Lay
Address	82 Burpham, Arundel, West Sussex, BN18 9RR
Type of Comment	Objection
Comments	I write to object to this planning application on the basis it will harm air quality, create an inappropriate visual impact & increase the number of large lorries on overburdened local roads. Versus increasing & indisputable evidence of the damage air pollution can do to both health & the environment this planning application if, approved, would be a retrograde step. This is not an appropriate site for such a significant & polluting development & would be rightfully judged by the residents of West Sussex as environmentally destructive
