Comn	ient for planning application wSCC/U11/21
Application number	WSCC/011/21
Name	Linda Trill
Address	SKYLARK WAY, 12, SKYLARK WAY, BOGNOR REGIS, PO22 0FA
Type of Comment	Objection
Comments	Too close to established residential buildings with a massive impact on the surrounding infrastructure which has narrow roads often with poor eoad surfacing. The impact of particulate emission and fallout from the facility in a residential area is a worrying aspect. The new facility at Horsham should be used and not spend more money building one at Ford. What other areas have been considered? I strongly object to this facility so near to residential areas.
