Application number	WSCC/011/21
Name	Caryl Blumenthal
Address	BERRYMARSH BARN, CHICHESTER, PO20 2DW
Type of Comment	Objection
Comments	This area is totally unsuitable for such a development. It would cause excessive traffic on the Ford Road. More importantly it would produce excessive CO2 emissions and destroy an area of natural outstanding beauty . In this time of trying to preserve the planet for future generations it is completely unacceptable.
