Application number	WSCC/011/21
Name	Eileen Saunders
Address	HIGHFIELD LANE, 133, HIGHFIELD LANE, CHICHESTER, PO20 2NN
Type of Comment	Objection
Comments	This proposal is completely out of keeping and out of scale with the rural environment. The size of the chimney and its flume will be obvious for many miles and is completely out of keeping with our rural location which is already under threat from multiple other developments.
