Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Natalie
Address	SHERBORNE ROAD, 39, SHERBORNE ROAD, CHICHESTER, PO19 3AD
Type of Comment	Objection
Comments	I object. studies show that the carcinogens in the emissions for people living near municipal waste incinerators result in higher rates of adult and childhood cancers, birth defects, cardiovascular mortality, asthma and a wide range of other illnesses, with the data not yet being available for the long term health problems.
