Comm	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	fiona watson
Address	LODGE COTTAGE, ARUNDEL, BN18 9QY
Type of Comment	Objection
Comments	I would like to object to the proposed planning of this facility. I cannot believe it would even be considered. It will truly be a blot on the beautiful landscape we are lucky enough to have on our doorstep. The air quality will certainly deteriorate with the facility alone let alone with the added pollution from all the extra traffic, and on to roads that are already clogged with traffic. Does WSCC really think this is a good idea? When a monstrosity such as this is planned there is usually pockets being lined for people who don't even live in the area. The south downs are a national park and as such should be treated with care & respect for future generations to enjoy. Arundel and it's surrounding towns and villages will certainly suffer from an ugly eyesore, even more traffic including hundreds more HGV and poorer air quality. Permission has been granted to build hundreds of houses in the nearby area why on earth would you allow such an industrial facility to be built in what is clearly a very residential area. I hope this ridiculous application is refuted with no options to reapply. Fiona Watson
