Comment for planning application wscc/011/21	
Application number	WSCC/011/21
Name	Dr M Taylor-Roberts
Address	WOODLEIGHS HOUSE, ARUNDEL, BN18 9QZ
Type of Comment	Objection
Comments	I object to the application. This proposal is completely out of scale with its surroundings and the proximity to the South Downs National Park from where it will present a huge and damaging impact on the views from the park. It is also debatable as to whether this technology is really needed by society. There are also potentially new homes close by whose environment will be damaged. The historic town of Arundel with its important tourist trade is also likely to be damaged. In addition to this the increased traffic of heavy HGVs is not appropriate to the setting or to those who live close by.
