Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Jennifer Diggance
Address	41,JOHNSON WAY FORD. ARUNDEL
Type of Comment	Objection
Comments	My concerns include, any toxic admissions that may occur. Will there be any noise factor. The increase in traffic in the area. Have any of your officers noticed the increase in traffic in the area with the volume of new builds plus the new builds in progress. To top it all who wants a ugly building like this in view.
