Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Clarinda Joanne Clarkso
Address	FITZALAN ROAD, 170, FITZALAN ROAD, ARUNDEL, BN18 9JZ
Type of Comment	Objection
Comments	I object to the proposed building for a number of reasons: 1. There will be an increase on large vehicles and HGVs on local roads which already struggle to cope with the current pressures 2. The building is unsightly and will have a negative visual impact affecting the South Downs National Park. Having seen a scale comparison with Chichester Cathedral it is clear this eyesore will be visible for miles in all directions - an unwelcome landmark impacting upon the views from the downs, Arundel castle etc not to mention all of the local residents 3. It is possible that the incinerator will negatively

impact upon plans for a new settlement to provide much needed local housing and schools 4. The

emissions can be harmful to human health and the environment. This is not GREEN.
