Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	SIOBHAN RAY
Address	4 STUARTS MEADOW, PETWORTH, GU28 0QE
Type of Comment	Comment
Comments	I believe that the amount of CO2 produced by this incinerator would be detrimental to local residents health. It will also be visually polluting the view over the Downs towards the coast. We need to be managing our waste in an environmentally sensitive way and this is not the right way. Please reconsider.
