Comn	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Trudy Caponi
Address	FLAT 8, BATWORTH PARK HOUSE, ARUNDEL, BN18 9PG
Type of Comment	Objection
Comments	Traffic generation around already full capacity road at Crossbush will make travelling locally even more dangerous for the elderly. Secondly, the odour and fumes from such a facility are a frightening consideration to residents already suffering from traffic fumes. Thirdly, this is on the edge of the South Downs National Park and a few miles from our historic town of Arundel. It is completely out of character for the area.
