Comment for planning application WSCC/011/21

WSCC/011/21
Martin Bateman
PARK ROAD, 9, PARK ROAD, ARUNDEL, BN18 0JE
Objection
How can a monstrosity like this be built in such a beautiful and historic area. Also, the surrounding villages are already struggling with traffic and this will increase further with the additional planned housing developments. My healthy country life is fast disappearing to be replaced by cars, houses and a smelly unsightly incinerator!! There has got to be another site in Sussex that is fit for purpose!?!?
