Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Jacqueline M White
Address	Rose Cottage 9 Kirdford Road Arundel
Type of Comment	Objection
Comments	Visually unsightly that can be seen for miles around. Recycling should be encouraged NOT INCINERATION as this will pollute the air with dioxins, NOx and ultrafine particles that are very harmful to humans and the environment. Ford Road and surrounding roads are already busy , large lorries, HGVs ,would be a very unwelcome addition to traffic .
