Name	Carol Shorrock
Address	DINSDALE GARDENS, 53, DINSDALE GARDENS, LITTLEHAMPTON, BN16 3NH
Type of Comment	Objection
Comments	Visual impact on the landscape including the South Downs National Park due to the height and size of the proposed incinerator Unnecessary - the county already has sufficient incineration to meet it's needs Space already designated and supported for schools and housing Environment climate change - not in line with current thinking on emissions Safety - big lorries transporting waste to the site on local roads.
