Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Sarah & David Brinkhaus
Address	4, Sargent Close, BN17 7GJ, Littlehampton
Type of Comment	Objection
Comments	I object to this facility on 3 grounds : 1) In this day and age of Climate Change society as a whole should strive to reduce the emission of greenhouse gasses; surely there is another way to deal with waste - recycling of precious materials that are being used by society on a daily bases rather than burning those is a good start 2) The view of historic Arundel - which brings in a lot of revenue through tourism - and of the South Downs National Park will be spoiled forever 3) The facility will inadvertedly cause on increase in traffic on allready overstretched roads
