Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Julian Malt
Address	DEVONSHIRE LANE, 9, DEVONSHIRE LANE, BOGNOR REGIS, PO22 0FG
Type of Comment	Objection
Comments	Others will be more eloquent than I am no doubt but I fail to see how such an application is consistent with the UK's, and WSCC's, commitments to the environment. This is not what people want and not a single candidate in the recent election denied the importance of the environment concerns triggered by this monstrosity. Please do the right thing and throw this application out.
