

# Comment for planning application WSCC/011/21

Application number

WSCC/011/21

Name

Matthew Anderson

Address

ANCTON WAY, 27, ANCTON WAY, BOGNOR REGIS, PO22 6JP

Type of Comment

Objection

Comments

It is bad enough that you are spoiling the view out to see with wind turbines now you want to ruin the view in land. This incinerator should be built as far away from housing as possible not just on the cheapest waste land you can find. With this and the proposed crematorium you are creating a public health crisis 10 years down the road.
