Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21
Name	Amanda Bull
Address	LYMINSTER NURSERY, LYMINSTER ROAD, LYMINSTER ROAD, LITTLEHAMPTON, BN17 7QF
Type of Comment	Objection
Comments	I object to the above planning application on the following grounds; 1) This is not needed following the approval of the Horsham incinerator and surely the WSCC/Arun council plans are to reduce all waste and increase the amounts that are recycled. 2) The proposed site is too close to an area of outstanding natural beauty and to the new housing developments nearby. 3) The supply of a minimum 270,000 tonnes by road for incineration will increase air pollution,dust and traffic to an unacceptable level 4) The co2 emissions resulting from the additional traffic and from the site itself are not acceptable 5) The emission of noxious gases from the plant has not been fully addressed. 6) The proposed height of the two new chimneys are still higher than anything else in the surrounding area and will constitute an eyesore which could adversely affect tourism to the South Downs national park and to Arundel.
