

Comment for planning application WSCC/011/21

Application number	<input type="text" value="WSCC/011/21"/>
Name	<input type="text" value="Martin Cheverton"/>
Address	<input type="text" value="MILES CLOSE, 1, MILES CLOSE, ARUNDEL, BN18 0TB"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="This development is totally unsuited close to a residential area, especially given the major housing development planned . The visual impact of the proposal which includes a chimney height as great as Chichester Cathedral is also unacceptable. The proposal also has a major effect on local traffic given the large number of lorry movements it will entail. I wish to register my Strong opposition to this application."/>
