| Comments                                     | I wish to strong object to the above planning application on the grounds that:- 1. It would be a dreadful eyesore for the South Downs National Park 2. It would pollute the surrounding air and I have a respiratory condition which would deteriorate further 3. It would increase traffic on local roads which would cause them to deteriorate even further when there are insufficient funds to repair them currently. 4. I cannot understand the need for an incinerator when we have a recycling plant. |
