Comm	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Amanda Dacey
Address	RIVER ROAD, 24, RIVER ROAD, ARUNDEL, BN18 9EY
Type of Comment	Objection
Comments	West Sussex are already planning new housing in the area. How can you possibly have an enormous incinerator in the same vicinity? This incinerator is not in line with current environmental thinking. This incinerator will have a serious impact on Climate Change. Burning rubbish is the last thing we should be doing.
