Collin	ient for planning application wscc/011/21
Application number	WSCC/011/21
Name	Tanya Tracey
Address	BRIDGER CLOSE, 36, BRIDGER CLOSE, BOGNOR REGIS, PO22 8FT
Type of Comment	Objection
Comments	I am writing to strongly object to the proposal to build a rubbish incinerator in one of the only visual gaps in development between Bognor and Brighton. The size of the proposed incinerator would result in this being a complete blot on the landscape, visible from as far away as Chichester and the South Downs national park. The resulting increase in traffic with an estimated additional 240 HGV movements along Ford Road would have a massive impact on road congestion in the area. There is no local need for more incinerators. West Sussex already has enough incineration sites and incineration is a barrier to the greener alternative of recycling. Incineration is one of the worst ways of generating energy because of its effect on climate change. Harmful emissions of dioxins, NOx and ultra fine particulate matter impact air quality, human health and the natural environment.
