## Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Edward Blount
Address	NINEVEH SHIPYARD, 8, NINEVEH SHIPYARD, ARUNDEL, BN18 9SU
Type of Comment	Objection
Comments	I strongly object to this proposed development. 1. Air quality. Ther is insufficient monitoring and transparency on the impact on air quantity and as a result on health and the environment. 2. Increased number of lorries will also impact on air quality and on the road infrastructure. 3. Visual impact on our beautiful Sussex landscape.
