Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Lynne Banks
Address	WOODVIEW, 21, WOODVIEW, ARUNDEL, BN18 9ED
Type of Comment	Objection
Comments	My objections are based on a number of factors, namely; the effect of Climate Change and their non green credentials; the local roads cannot cope with additional lorries, the current levels already cause pollution, are potential danger to pedestrians and motorists and cause major congestion on the country roads in the Ford and Arundel area.
