Address	WILLOW COTTAGE, CHURCH ROAD, CHURCH ROAD, ARUNDEL, BN18 0EW
Type of Comment	Objection
Comments	I'm absolutely amazed that Arun planning would consider a building with such a high chimney that can be seen miles away. It's going to look awful next the river Arun and so close to Arundel and the South Downs National Park.Visitors will stay away which are Key the local economy.The extra pollution will be horrendous.
