I would like to **STRONGLY object** to the above planning application.

I live at Tortington Manor, Ford Road and am extremely concerned at the prospect of an additional 240 HGV vehicles per day using this road. The road is a rat run as it is with its 60 mph speed limit and exiting Tortington Manor is currently very dangerous. It will be virtually impossible to exit the Estate with an increase in vehicles.

How can such a monstrosity be considered for such a beautiful rural area, not to mention the pollution it will cause.

Please DECLINE this application and include this submission in your accountability process.
