Comment for planning application WSCC/011/21

WSCC/011/21
David Pidoux
3, Stable Courtyard, Tortington Manor, Ford Road. Arundel.
Objection
I am very concerned with HGV vehicles using Ford Road especially the section of Ford road towards the A27 where cars park on the road outside the houses, I have witnessed HGV's getting stuck on that very section of Ford road in the vicinity of the cemetery . And why not build the incinerator somewhere more remote away from residential areas.
