Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Ben Peck
Address	LAMPLE HOUSE, ARUNDEL, BN18 9RA
Type of Comment	Objection
Comments	We can barely deal with the amount of HGVs as it stands. If the proposal went ahead the additional HGVs along the Local roads would make traveling same difficult for the local residents. The proposed structure looks to be an eyesore and would blight a beautiful part of our countryside. This doesn't seem to be in line with the government's strategy on pollution. This sounds like building worse not better.
