Comn	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Glenn Keen
Address	LUCKING LANE, 45, LUCKING LANE, BOGNOR REGIS, PO22 6HR
Type of Comment	Objection
Comments	This incinerator is not needed or wanted here. It would be extremely harmful to health, and the natural environment with all the emissions it would produce. It would also have a negative visual impact on the local area, and our South Downs. Our roads also, would not cope with all those HGVs going to and from the site, our roads are not great as it is. I ask you to reject this application.
