Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Angelys Rojas Fern?nde
Address	56 Tabard Street Apartment 1 Se14LG
Type of Comment	Objection
Comments	It would not only be detrimental on the image of the area, but it is going to cause a huge impact in the environment, and health of the population. After going through a pandemia that should be one of our main concerns. In 2021 we should be working hard in our ideas to find better ways of disposal and focusing on recycling.
