

Comment for planning application WSCC/011/21

Application number	<input type="text" value="WSCC/011/21"/>
Name	<input type="text" value="John Adam Lavery"/>
Address	<input type="text" value="BRAMLEY GARDENS, 2, BRAMLEY GARDENS, BOGNOR REGIS, PO22 9SP"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="Aside from this being a hideous, polluting blot on the rural landscape, incinerating waste is quite a ridiculous plan in 2021 and goes against the UK Carbon Neutral strategy. Burning waste is not the answer - stopping producing so much waste is. It's not consumers that produce waste, it's suppliers using unnecessary and unrecyclable packing that need to be forced to change."/>
