Comn	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Amanda Lunt
Address	ALEXANDRA ROAD, 1, ALEXANDRA ROAD, CHICHESTER, PO19 7LX
Type of Comment	Objection
Comments	I strongly object to the construction of this incinerator, which will destroy the surroundings of the last piece of undeveloped land in the area, and will pollute the atmosphere with a plume of plastic-based smoke which will not encourage plastic recycling and is quite unnecessary, given that there is permission for a gas-based alternative using more advanced technology. Let us stay in the 21st century and make it cleaner!
