Comm	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Christine Milton
Address	161 Melfort Rd Thornton Heath CR7 7RU
Type of Comment	Objection
Comments	We have been plagued with an incinerator in the area I now live. As a former W Sussex resident I should hate to see this happen there too. With climate change there can be no justification for these monsters.
