Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Janet Jones
Address	16 Mayfield Close
Type of Comment	Objection
Comments	Please please do not let this incinerator be built in such a lovely area - so close to see and the beautiful South Downs. We appreciate that something needs to be done but please reconsider this application. The Sea and Downs mean so much to people that live here or visit. The area does indeed need to keep up a good level of visitors to help maintain and boost the economy.
