Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Aline Pilcher
Address	POUND FARM ROAD, 29, POUND FARM ROAD, CHICHESTER, PO19 7PU
Type of Comment	Objection
Comments	Incineration is the most polluting form of energy generation that is in existence. It produces more than double the amount of CO2 than coal does to get one unit of electricity. Incineration also diverts plastics away from being recycled and breaks the circular economy, which is the only long-term solution to our waste.
