Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Liz Morcom
Address	Garden Cottage, The Thicket, Leckhampstead, Newbury.
Type of Comment	Objection
Comments	(I am moving to the area in a few weeks). This application is flawed. It is near an historic town which will be blighted by it and will be visible from Chichester, the surrounding Area of Natural Beauty and the coast. If an incinerator is involved, how he I believe to be the case, these are vast structures, not eco friendly and will pollute the surrounding, residential areas.
