Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Darren Crisp
Address	PAGHAM ROAD, 110, PAGHAM ROAD, BOGNOR REGIS, PO21 4NN
Type of Comment	Objection
Comments	I am objecting to this application due to the vast size of the proposed structure. This will clearly have a detrimental effect on the landscape of West Sussex and the views that our County has to offer. Waste disposal can be sorted in ways which does not require such a large structure. Energy production should be focussed on more renewable sources such as solar panels.
